**CERTIFICATION:**

Diplomate, American Board of Psychiatry and Neurology, November 1992

Licensure:

Active: Pennsylvania, New Jersey, Florida, Maryland, North Carolina, Vermont

Inactive: Massachusetts, California, New York

Member: American Psychiatric Association  
Pennsylvania Psychiatric Society  
American Academy of Psychiatry and the Law  
American Medical Association

**EDUCATION:**

**Northwestern University Medical School**, Chicago, IL  
MD June 1987

**Wesleyan University**, Middletown, CT  
BA June 1981

**Sarah Lawrence College**, Bronxville, NY  
1977-1979

**POSTGRADUATE TRAINING:**

**New York Hospital, Cornell University Medical Center**, New York  
Intern in Internal Medicine 1987-1988

**New York Hospital, Cornell University Medical Center, Westchester  
Division**, White Plains, N.Y.  
Residency in Psychiatry 1988-1991  
1991 Outstanding Research Award

Barbara Ziv, MD

## **ACADEMIC APPOINTMENTS:**

**Clinical Assistant Professor (Adjunct)**, Department of Psychiatry, Temple University School of Medicine 10/10-present.

- Responsible for designing forensic curriculum for Temple University psychiatric residents.
- Train residents individually in month long rotation in order for them to complete forensic psychiatry requirements for graduation.
- Provide multiple didactic teaching sessions to psychiatric residents on topics related to forensic and clinical psychiatry, including, but not limited to: sexual offenders, victims of sexual assault/harassment, posttraumatic stress disorder, forensic interviewing techniques, landmark cases in forensic psychiatry, assessment of malingering and factitious disorder in forensic psychiatry, assessment of competency and capacity, eating disorders, paraphilias.

2014 Department of Psychiatry Clinical Faculty Award for Excellence in Providing Clinical Education.

## **EMPLOYMENT:**

**Aetna/CVS**

January 2012—present

**Medical Director**

- Responsible for training and oversight of clinical staff, Aetna.
- Train Care Managers in the full spectrum of DSM psychiatric diagnoses, the interface between developmental disorders and biologically based disorders, the difference between criminal behavior and aberrant behavior caused by psychiatric illness.
- Review and advise on the full range of treatment options (from inpatient hospitalization to individual or family therapy) with special emphasis on appropriateness of level of care decisions.

**Pennsylvania Sexual Offenders Assessment Board**

November 2000—present

- Appointed by Governors Ridge, Rendell, Corbett, and Wolf.
- Responsible for evaluating convicted sex offenders with respect to Pennsylvania statute 42 PA C.S., commonly known as Megan's Law.
  - Participate in quarterly trainings regarding the assessment, treatment and disposition of sex offenders.
  - Provide written assessments and court testimony of individuals convicted of "Megan's Law" crimes.
  - Render determinations regarding criteria for designation as Sexually Violent Predator.

**Commonwealth of Pennsylvania, Medical/Legal Advisory Board on Child Abuse**

August 2007—present

- Appointed as member by Attorney Generals Corbett, Kelly, Kane, and Shapiro.

Barbara Ziv, MD

## **Forensic Psychiatry Practice**

January 2000—present

- Conduct case reviews and perform independent medical examinations to evaluate mental illness in criminal and civil legal proceedings. As of December 2018, have completed over 2000 forensic assessments and independent medical examinations in the context of the following [n.b. list is representative, not exhaustive]:
  - Criminal court proceedings
    - “McNaughton” assessments
    - Competency assessments
    - Assault
    - Homicide
    - Sex offenses
    - Non-violent criminal offenses
  - Civil court proceedings
    - Disability
    - Workman’s Compensation
    - Discrimination
    - Sexual harassment/assault
    - Family law issues
    - Malpractice
    - Workplace issues
    - Psychiatric consequences of environmental problems, e.g. motor vehicle accidents, slip and fall accidents, etc.
  - Notable cases
    - Commonwealth of Pa v. William H. Cosby. Montgomery County Court of Common Pleas CP-46-CR-0003932-2016
    - Board of Trustees, Pennsylvania State University. Discussed patterns of behavior of pedophiles and worked to establish guidelines for treatment of victims of pedophilia.
    - Archdiocese of Philadelphia Multidisciplinary Team. Evaluated priests accused of boundary violations, sexual activity and inappropriate behaviors with minors. 2011-2012
    - Scott Specchio, et al v. New Penn Motor Express, Inc., et al. N.J. Superior Court 2011
    - CMS v. Del Rosa Villa. C-10-45, U.S. Department of Health and Human Services, Departmental Appeal Board, Civil Remedies Division 2010
    - U.S.A. v. Dominguez, et al. Eastern District Federal Court, 09-471. 2011
    - Commonwealth of Pa. v. Andrea Curry-Demus. Allegheny County Court of Common Pleas. CP-02-CR-0012341-2008
    - Louis Mickens Thomas v. Donald Vaughn, Pennsylvania Board of Probation and Parole, the Pennsylvania Board of Pardons. United States District Court for The Eastern District of Pennsylvania. No. 990616104-1615

Barbara Ziv, MD

- Court testimony
  - As of December 2018, have testified in 220 criminal and civil cases.
  - Qualified as an expert in the field of forensic psychiatry in multiple counties in Pennsylvania, New Jersey, Delaware, California, Virginia, New York, and in U.S. Federal Court in multiple states.

**Private Practice**

March 1995—present

Evaluate and treat psychiatric patients utilizing psychodynamic and psychopharmacologic strategies. Areas of specialization include adolescents, victims of sexual and physical abuse, sexual offenders, personality disorders, affective disorders, anxiety disorders, and psychotic disorders.

**Lifesynch/Humana Health Care**

January 2010—December 2011

**Consulting Medical Director**

- Responsibilities included:
  - Training and oversight of clinical staff.
  - Clinical decision making for the care of covered patients.
  - Coordination of efforts between hospitals, community-based services and outpatient providers in the care of covered patients.
  - Analysis of medical records and psychiatric treatment protocols.

**CIGNA Behavioral Care**

September 1996—December 2009

**Medical Director**

- Responsible for training and oversight of clinical staff, CIGNA. Train Care Managers in the full spectrum of DSM IV psychiatric diagnoses, the interface between developmental disorders and biologically based disorders, the difference between criminal behavior and aberrant behavior caused by psychiatric illness. Review and advise on the full range of treatment options (from inpatient hospitalization to individual or family therapy) with special emphasis on appropriateness of level of care decisions.
- Responsible for clinical decision making for over 1.5 Million covered lives.
- Developed tools to standardize evaluation procedures by care managers
- Reviewed with over 1000 psychiatrists/health care professionals yearly to ensure compliance with best-practices protocols and APA guidelines.
- Established Eating Disorder specific company-wide care management team.
  - Provided formal trainings for providers and CBH staff on
    - Suicide Assessment
    - Adolescent Disorders
    - Eating Disorders, Evaluation and Treatment
    - Medical Detoxification and Substance Abuse Treatment Standards
    - Personality Disorders, Evaluation and Treatment, including Dialectical Behavioral Therapy
    - Family Assessments and Family Therapy

Barbara Ziv, MD

**Consultant**

January—September 1996

- Performed retrospective and concurrent reviews.

**Integra**

March 1998—November 1999

**Medical Director**

- **Chair**, *Credentialing Committee*
- **Chair**, *New Technologies Committee*
- Oversight:
  - Utilization Management
  - Quality Management
  - Provider Relations.
- Developed and authored treatment care “best practices” guidelines for all major psychiatric diagnostic categories
- Provided ongoing training for all intake, inpatient and outpatient case managers in psychiatric diagnosis, “best practices” short and long-term treatment strategies.
- Developed research protocols to
  - Measure outcomes of treatment
  - Ensure provider compliance with “best practice” treatment guidelines
  - Evaluate elements of treatment practices that enhance patient improvement.
  - Supervised physician advisors to ensure consistent case management practices.
  - Worked with providers to develop effective solution-focused, long-range treatment plans for in-and out-patients
  - Worked with hospitals and providers to facilitate a seamless delivery system throughout a patient’s continuum of care.
  - Worked with Integra senior management to prepare for NCQA accreditation.

**Northwestern Institute**

March 1995—November 1998

**Unit Medical Director** – *Special Care Unit and Crisis Intervention Unit*

*September 1997—November 1998*

- Responsible for management and supervision of 25 bed intensive care units.
- Population included acutely psychotic, suicidal and self-injurious patients.
- Emphasis of treatment was to expediently direct crisis symptoms by using pharmacotherapy, cognitive-behavioral therapy and family intervention

**Unit Medical Director** *Evaluation, Stabilization and Referral Unit*

*March 1995—September 1997*

- Responsible for 10-15 bed acute inpatient unit, acute partial hospital program and 23-hour beds.
- Developed cognitive-behavioral program for short term inpatient and acute partial hospital stay.
- Increased daily census from 2-3 patients to 7-16 patients by creating comprehensive short-term treatment protocols and by establishing close relationships with managed care companies.

**Barbara Ziv, MD**

- Specifically identified as preferred provider of psychiatric inpatient services at Northwestern Institute by multiple managed care companies.
- Responsible for oversight of formulary decisions, monitoring prescribing practices, evaluating adverse drug reactions.
- Responsible for development of “clinical pathways” – standardized protocols for evaluating and treating acute psychiatric patients.
- Responsible for education and training issues associated with reengineering process at Northwestern Institute.

**Pharmacy and Therapeutics Committee.** September 1997—November 1998  
**Steering Committee.** March 1996—March 1997

**Friends Hospital**

March 1994—March 1995

**Attending Psychiatrist,** managed inpatient, outpatient and nursing home patients.

**Tufts / New England Medical Center**

September 1991—July 1993

**Assistant Clinical Professor,** Department of Psychiatry, Tufts University School of Medicine, Boston, MA

**Attending Psychiatrist/Team Leader**

- Adult inpatient unit
  - Evaluated and treated psychotic and affectively disturbed patients using milieu, psychopharmacologic and electroconvulsive therapies.
- Adult outpatient therapy
  - Ran psychopharmacology clinic at New England Medical Center.
  - Part-time psychodynamically oriented private practice.

**Angau Memorial Hospital,** Lae, Papua, New Guinea

January—March 1987

Clinical research and subinternship in Infectious Disease ward.

**Saywon Town,** Liberia

June—September 1984

Conducted immunization and nutritional assessment program in village health clinic.

**Sloan-Kettering Institute,** New York, NY

September 1981—June 1983

**Research Associate,** Department of Cellular Differentiation

**Evanston Hospital,** Evanston, IL 6/80-8/80, 7/78-8/78, 10/76-8/77

**Research Assistant,** Department of Immunochemistry

**RECOGNITION:**

America’s Top Psychiatrists 2008, 2011. Consumers’ Research Council of America

Barbara Ziv, MD
